

ANVIL XLT-1 SERIES

Extra Strong... Extra Light!

Shown: 3/8" Plywood & 3/8" XLT-1

The NEW XLT-1 SERIES, ATA type transit case, is the latest addition to our complete line of shipping, carrying and production cases.

Designed to provide the strength of traditional plywood laminate cases, while employing durable light weight polypropylene tri-laminate that is over 25% lighter and 100% recyclable. Its unique cellular center layer provides incredible strength you can rely on day after day, year after year!

- Available in 1/4" and 3/8" wall thickness
- Available Colors: Black, Blue and Gray
- Ideal for A/V, Lighting and Sound Control, Musical Instruments, Computer Equipment, Rackmount Gear, Tradeshow Supplies, Various Rental Equipment, Aerospace/Airline, Military and countless Industrial applications.*

* Some size limitatons may apply.
